Dear Potential Donor:

On behalf of the St. Joseph Catholic School Pot O' Gold Committee, we extend our warm greetings and invite you to support our upcoming annual fundraiser on March 21, 2026, at the Holthus Convention Center in York, Nebraska. This event features both live and silent auctions and brings together supporters dedicated to strengthening our school and community.

Funds raised in past years have allowed us to complete meaningful projects such as installing an outdoor classroom, enhancing building security, upgrading lunchroom tables, and purchasing new curriculum and library books. This year, proceeds will support needed upgrades to our fine arts program, including new risers, sound boards, microphones, and theater curtains.

We kindly ask you to consider donating gift certificates, merchandise, services, or making a monetary donation to help make this event a success. Your generosity will directly impact our students and provide your business with valuable community recognition. Donors are acknowledged in our auction brochure, on social media, and in the St. Joseph Catholic Church bulletin. All contributions are tax-deductible, and our tax ID number is available upon request.

To be included in the auction brochure, donations are appreciated by February 27, 2026. Items may be mailed to the school or picked up in person—whichever is easiest for you. We will follow up with you soon, but please feel free to contact us with any questions.

Thank you for considering this request and for supporting St. Joseph Catholic School. God bless you today and always.

Sandy and Andrew Clark
Whitney and Evan Fowler
Kelsey and Cody Layman

Kayla and Jarrod Makovicka
Kylie and Cody McGowan
